

Invocation for pregnancy

Through the blessings and grace of Archangel Gabriel, I am now safe and healthy for conceiving.

I offer my gratitude to all my Guardian Angels for protecting me and the soul which is going to come in my womb as my child in the next few weeks.

I am being blessed with all the requirements for being a healthy mother to a healthy child in the month / year _____

And I appreciate this opportunity and I am thankful to everyone associated with it.

Read 10 times before sleeping.
